Covid-19

We would like to **thank you for your support and thoughts** during this pandemic. It has certainly been an incredibly challenging year for everyone! But, as the covid-19 numbers continue to go down, we are seeing a light at the end of the tunnel with renewed interest in safe travel. We are happy to say that we have begun to run tours again, and Liz and Cara will both be returning to work in September. Both Funtastic Getaways and Bloom Bus have put in place protocols to ensure safe travel: Bloom Bus uses an **electrostatic fogger & hand sanitizes touch points daily**; and has **upgraded air filtration systems**. Currently, we can run tours with up to **26 people on the bus** (two seats per person), **masks are required**, and we are providing **pocket-size hand sanitizer** as you enter the bus. We are contacting our vendors 45 days prior to each trip to see that they can safely take the group and to see if any adjustments to the itinerary need to be made. If any changes need to be made due to covid-19, we will send you that information along with the invoice. Thank you for your patience as we navigate this ever-changing pandemic.

We hope to see you on a tour soon!
