A trip with minimal walking

A trip that includes moderate walking at your own pace

A trip that includes extended periods of walking or guided walking tours.

On some tours, you may be able to omit portions of the tour that are too physical for you. As always, if you have any questions about the tour, don't hesitate to call.

Trips with this icon are shorter in length - 8 hours or less from the bridge (9 hours or less from Dennis)

Customary end-of-tour gratuities are included for the driver, escort and local tour guide (when a step-on guide is hired), wait staff, and baggage handlers. Gratuities for hotel housekeeping staff are not included unless otherwise noted on your itinerary, and a basic gratuity of \$ 2-3 per person, per day is customary.

Assigned Seating - In the interest of fairness to everyone, bus seating is assigned on a first come, first served basis. If you are traveling with friends and signing up separately, be sure to let us know who you are traveling with so that we can seat you next to each other. Single travelers will be given their own seats if space allows or may be seated with another single traveler.
